SCHOOL DISTRICT OF AUBURN

ANNUAL REPORTS

OF THE

School Board and Treasurer

FOR THE

YEAR ENDING FEBRUARY 15, 1910

SCHOOL REPORT

FOR YEAR 1909-1910.

In giving our report to you, we would like to call your attention to the fact that the new laws have brought out new features in our work and in some respects has been a trying year for us. We wish to thank the citizens for their generous allowances. These, with the aid received from the state, have permitted us to maintain five schools for thirty-three weeks and one school for thirty-two weeks.

The time has come when good teachers cannot be obtained for the small sums paid in previous years. This is not wholly the work of the town. The state is behind all these movements and contributes for this end,—better teachers and better schools. We wish that every parent might understand that in keeping their children away from school, (unless for illness,) they are doing them a great injustice, which in after years will be realized if not now. They are also shortening their schooling for the following year and violating the laws of the state and town.

The following new books have been introduced into all the schools: Carpenter's Geographical readers, Elementary English Spellers and Physiologies.

The School Board has used, during the past year, rolls of honor, distributing them to those children who have been perfect in attendance. No. 5 leads the list in having taken eight in the Fall and nine in the Winter, making a record for the district of which they may well be proud. In No. 6 we have four who have been perfect for the year, No. 3 has two and No. 2 has one.

Some parents fail to realize that children should attend school every day and stay during the entire session in order to receive the most benefit from the instruction, and you will find nearly always that it is the parent who lets his children go to school

or not, just as they please, who is finding the most fault with the teacher.

According to instructions from the Department of Public Instruction we recommend that the following sums of money be raised for the following purposes:

Text books and scholars' supplies,	\$ 135 00
Flags and appurtenances,	25 00
And other statutory obligations of the District,	15 00

Respectfully submitted,

LILLIAN C. CUTTING,
CORA C. EMERY,
FRED H. HALL,

School Board.
